

St Christopher's School

Your Community Email Account

Hi and welcome to **@community!**
We hope these instructions help you through your first login. 😊

Your First Login (in 3 easy steps)

1. In the address bar of your preferred browser, enter the following web address:

<http://mail.community.st-chris.net/>

2. Once the **St Christopher's Community Email** page has loaded, enter your *username* and *password* (refer to your earlier SMS). Then click **Sign in**

Username:

Password:

Stay signed in

3. As it is your first login, Google won't show you your inbox just yet. You are required to change your password. Follow the on-screen instructions and click **Change password**

St Christopher's Community Account

Whoa, where's my inbox?

Your administrator has requested that you change your password.

Choose a new password:

Re-enter new password:

[Password strength](#)

Then your inbox will start loading:
Loading jane.doe@community.st-chris.net...

You've just logged in!

Try our other Help documents, also on the School web-site (www.st-chris.net/community-email)

- Remember:**
- This is your account and you don't have to use it just for School emails 😊
 - St Christopher's School will use this account to send formal communications
