### PUNCTUALITY

Please remember that school begins at 7.40am. It is vital that children are on time so that they start the day smoothly and don't miss their daily reading session.

### Just a few reminders:

- Please send your child to school with a school sweatshirt, hat and water bottle for snack and break which is now outside as the weather is becoming cooler.
- Please send enough food for two breaks.
- Please sign your child's homework diary each week and encourage your child to read regularly.
- Please ensure your child is bringing in their homework diary or any equipment they may need for particular days. There are a lot of forgetful children at the moment!
